Ref.: Al Marzooqi Recommendation

12th March 2024

Eng. Mohamed Almarzooqi, BSc, Msc, FCI Arb

To Whom It May Concern:

Dear Sirs,

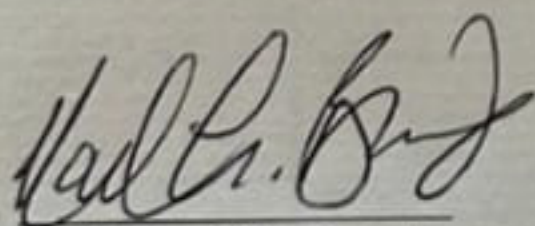

I am writing this letter at the request of Eng. Mohamed Almarzooqi.

I met Eng. Almarzooqi in a professional capacity, when we served on the same arbitral tribunal in an international arbitration case a number of years ago. I have had the pleasure of serving with him in the same capacity once again some time later.

Having personally served as the Chairman of these arbitral tribunals, I have found that, as one of my co-arbitrators, Eng. Almarzooqi was a tremendous asset in both of these cases. He worked extremely well in a team setting, his knowledge of the procedure to be followed in arbitration was particularly good, and he can communicate very well in English and excellently in Arabic, which was a great benefit in our cases. When it came to assisting on drafting documents for the arbitration, such as the Awards, Eng. Almarzooqi participated enthusiastically and in a very quick manner, which benefited the arbitral proceedings immensely.

When Eng. Almarzooqi requested that I provide him with a recommendation, I had no hesitation to do so, as working with him was not only beneficial, it was a pleasure.

Yours sincerely,

Prof. Nael G. Bunni
